

Test Access MA1

Test Access MA1

1. Test My Access

1. Test My Access

Welcome

We look forward to hosting you during the upcoming hands-on lab!

The lab is conducted in an Adobe Experience Cloud **demo** environment.

To participate in lab exercises, you will need to log in to the **demo** instance.

How to test my access?

1. If you are an Adobe Experience Cloud user, please log out of your instance of the Experience Cloud **OR** use a private/incognito window.
2. Once you've logged out of your Adobe Experience Cloud instance, or if you're using a private/incognito browser, copy/paste this url into your browser:
<https://experience.adobe.com/>
3. Log in with the following credentials (copy/paste and make sure to remove extra spaces):

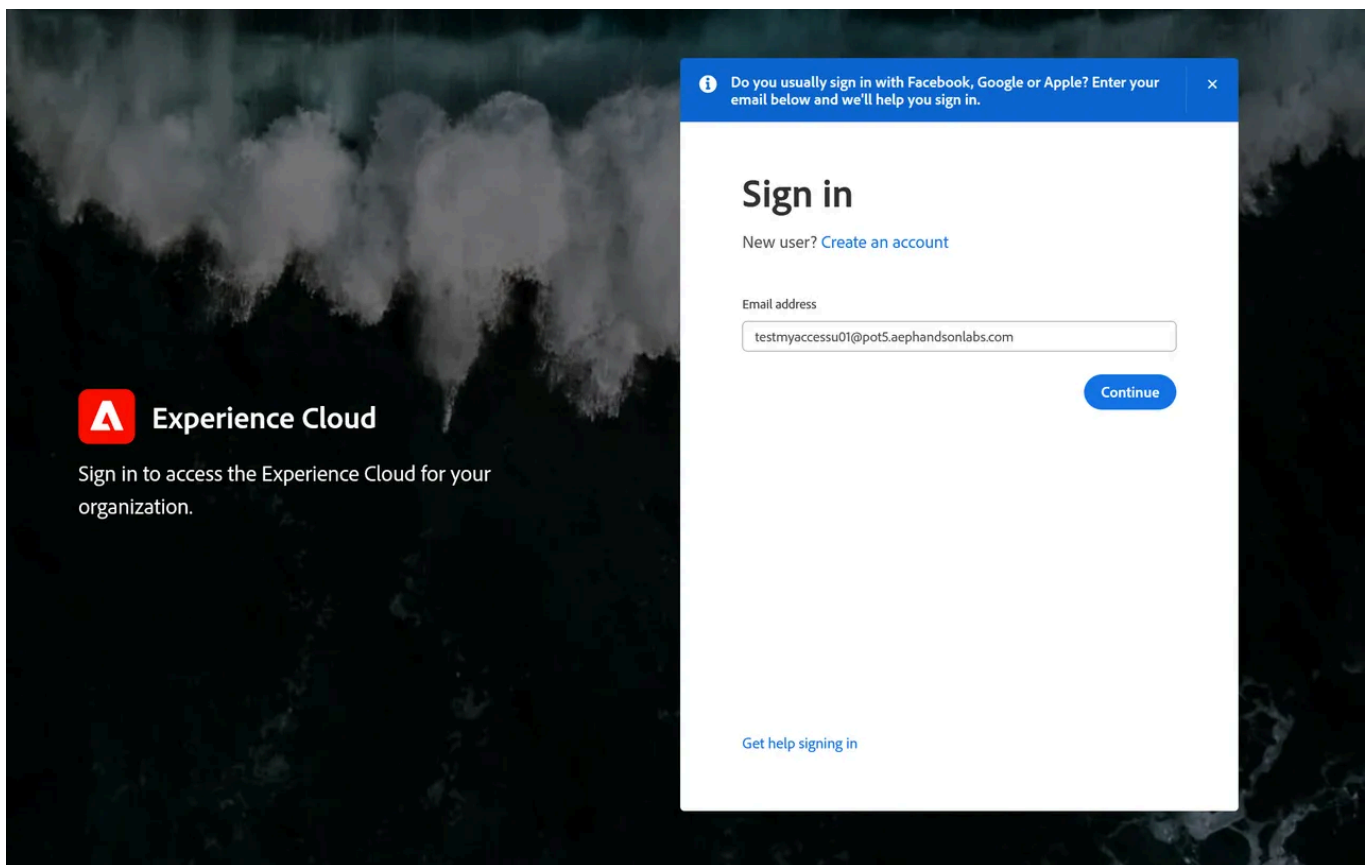

Username

ma1testaccessu01@ma1.aephandsnlab.com

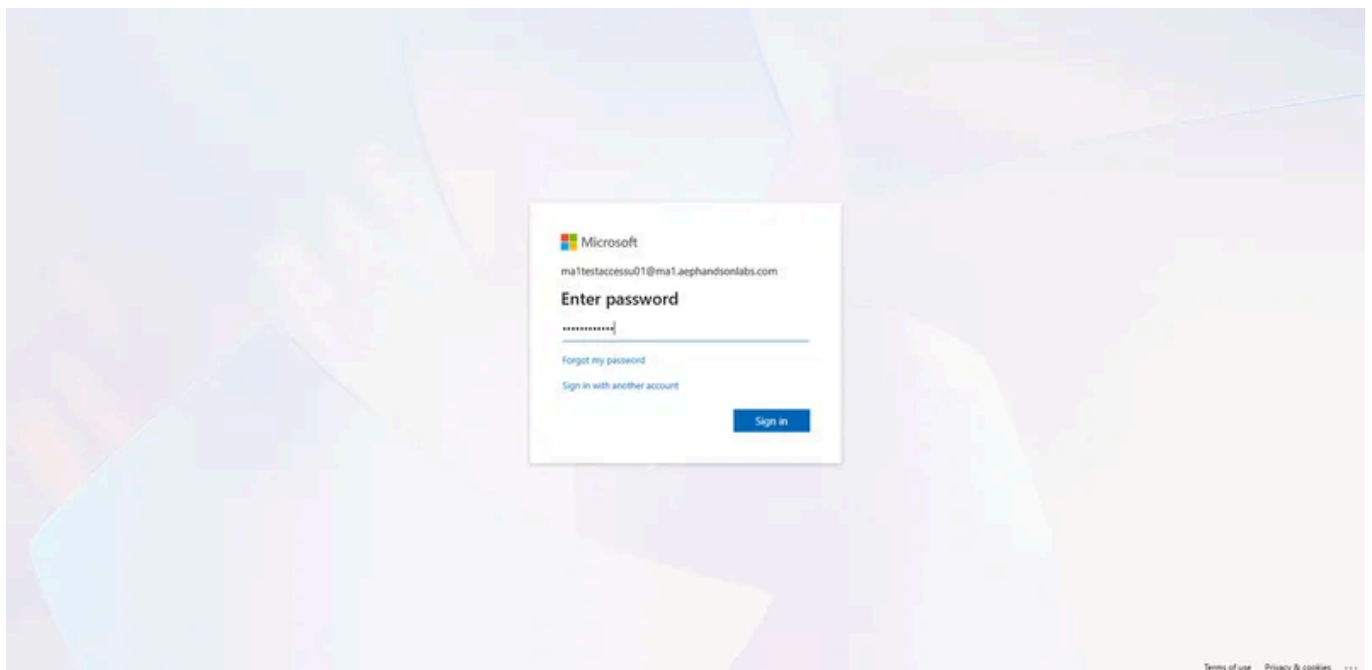

Password

AEPTTest2024!

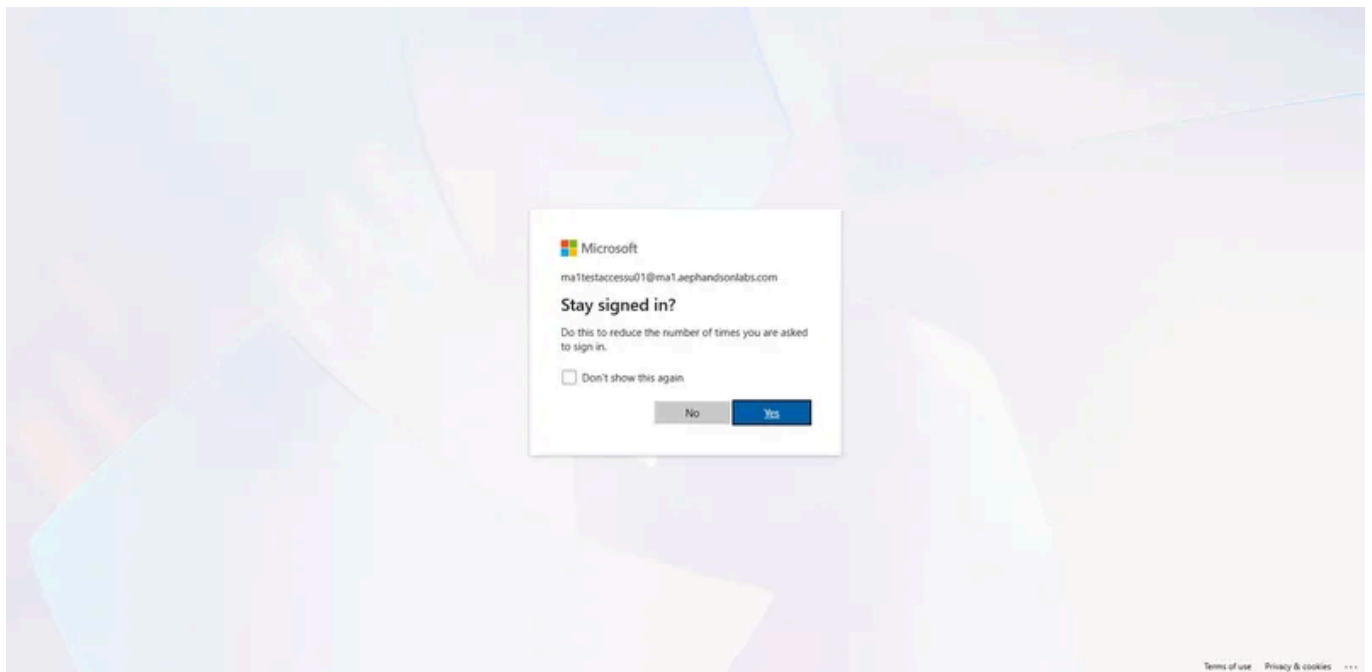

Copy and paste in username. Click Continue.

Copy and paste password. Click Sign in.

You can click **Yes** or **No** if prompted to Stay signed in.

Upon successful login, you should be routed to the Experience Cloud home page:
