

Test My Access (POT5)

**Test My Access (POT5)**

# 1. Test My Access

# 1. Test My Access

---

## We look forward to hosting you during the hands-on lab!

The lab is conducted in an Adobe Experience Platform **demo** environment. To participate in lab exercises, you will need to log in to the **demo** instance.

## How to test my access?

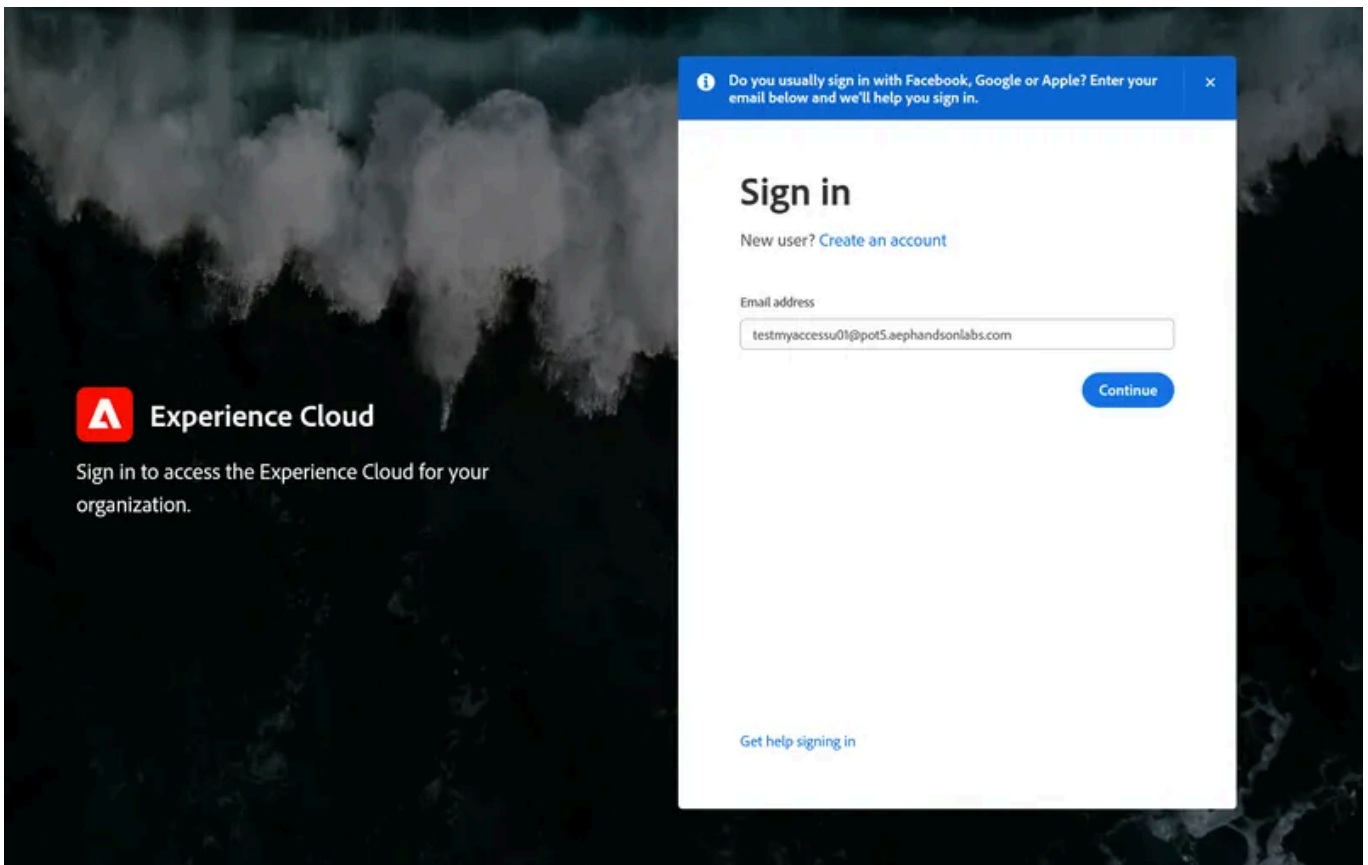

1. If you are an Experience Cloud user, please log out of your instance of the Experience Cloud **OR** use a private/incognito window.
2. Once you've logged out of your Experience Cloud instance, or if you're using a private/incognito browser, copy/paste this url into your browser:  
**<https://experience.adobe.com/>**
3. Log in with the following credentials (copy/paste and make sure to remove extra spaces):

### Username

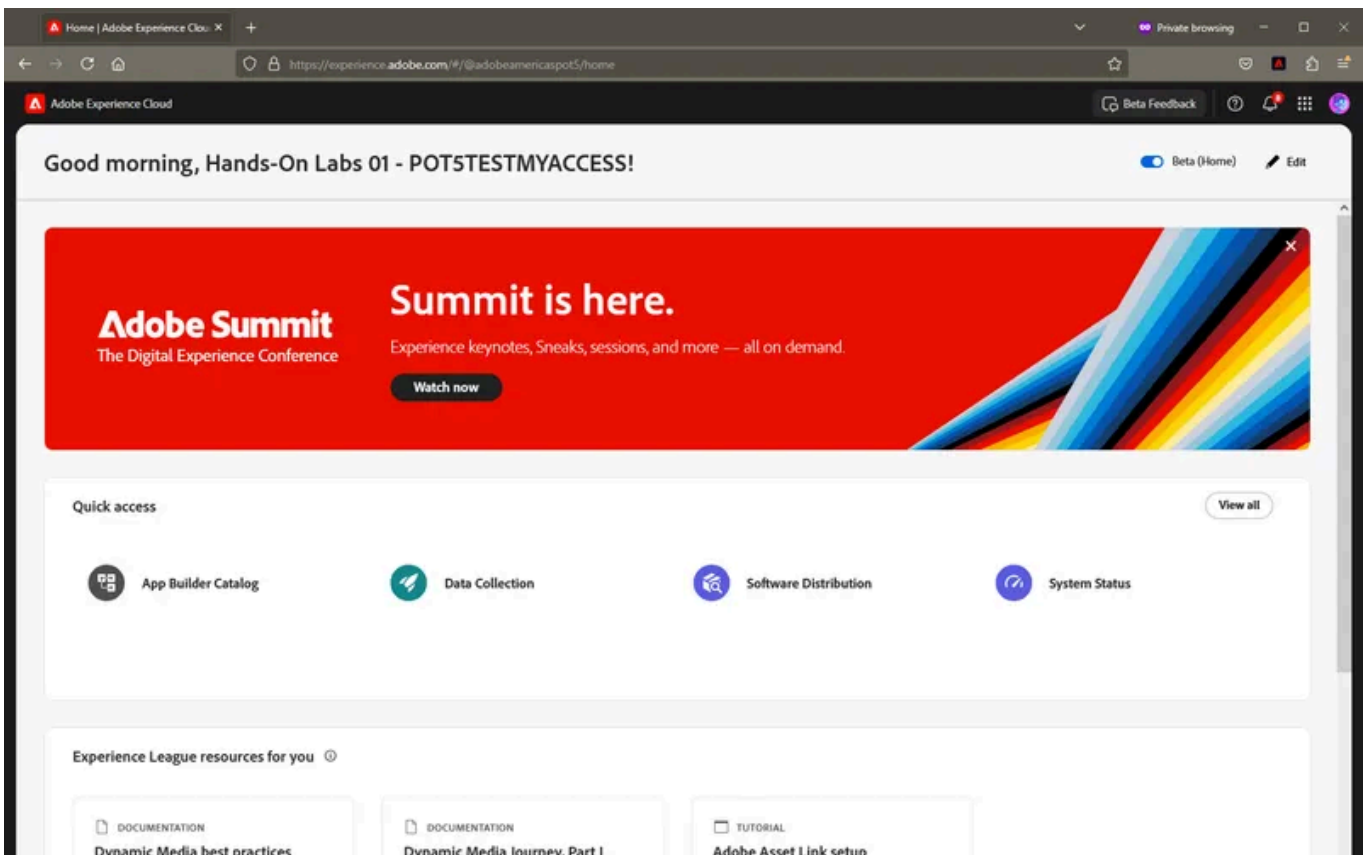

testmyaccessu01@pot5.aephandsnolabs.com

### Password

AEPH0Luser

Upon successful login, you should be routed to the Experience Cloud home page:

What now?

If you are not able to log in, you might have a network firewall restricting access. In which case, please plan to attend the lab from a personal computer or reach out to your IT security administrator for support. **If neither of these options are available to you, we encourage you to attend as a lab watcher and you are welcome to ask questions throughout the lab.**

Please ensure that your Adobe rep is aware of your access testing to confirm your attendance.
