

AI Driven Ecommerce ERP

Simplicity is the ultimate sophistication

Leonardo Da Vinci

...And therefore is Plotch

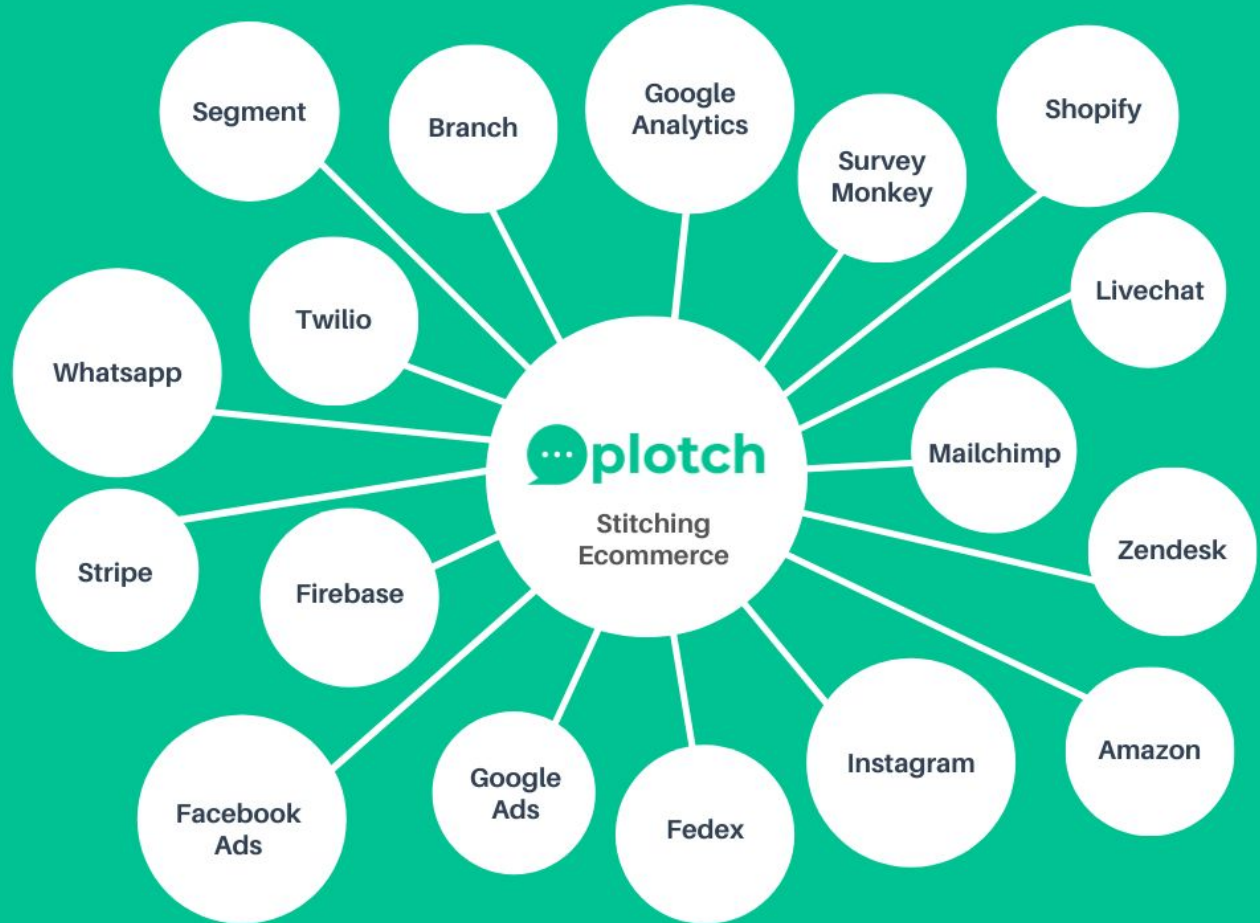

World of e-commerce has become giant, non-cohesive and daunting

For all of us uninitiated, e-commerce today needs stitching

Plotch does exactly that by bringing together all tools and integrations in a seamless one click way.

We deliver simplicity using AI..

Ecommerce Is Future But ...

**No Dedicated
Ecommerce ERP Globally
For Small Businesses**

Plotch Is Built For Ecommerce

**Connects product to
people and everything in
between digitally**
